SUPPORTERS, FRIENDS, & COMMUNITY MEMBERS,

Dear Supporters, Friends, and Community Members,

It has been our honor since 2007 to provide Turlock, and the surrounding communities with safe and fun Fall and Winter Agri-Tourism family activities. The Pumpkin and Patch and Corn Maze is a local fall favorite, and for the Holiday Season, Fields of Ice, has become a popular tradition for the Turlock Community, including Stanislaus, Merced, San Joaquin and Tuolumne Counties, as well as Bay Area visitors.

During the Fall & Winter, our Agri-tourism venue draws numerous visitors, averaging over 30,000 skaters, 2000 plus Pumpkin Patch field trips students, more than 10,000 corn maze and pumpkin patch visitors, and countless spectators. We are happy to say, once again we have the "Happiest pumpkins on Earth!"

We strive to keep our venue family friendly, affordable and casual as we incorporate new ideas each season.

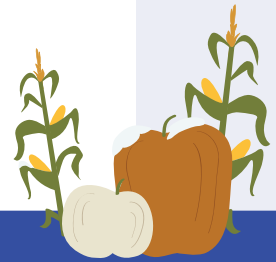

Recently, we have updated our food truck, and we are now producing our own Fall/Halloween video to show on Fall evenings, to complement our corn maze, and pumpkin patch. We also continue making major improvements to our scary Shed.

We will continue offering our Premier Christmas trees, photos with Santa, group and community events, and our popular Birthday Party Packages to enhance the largest and best seasonal outdoor Ice Skating rink in the valley.

We graciously thank our past advertisers and welcome new supporters. All of our supporters enjoy their logo on the Ice Rink, complimentary passes, and other VIP opportunities. We would like to invite you to be part of the fun for 2023/2024 with our popular Agri-Tourism venture.

Sincerely,

The Team at RAM Farms, Inc.
